EXPERIENCE

Broadcast Assistant, Vegas Golden Knights & Henderson Silver Knights

Las Vegas, Nevada

November 2025 - Present

Host pregame, intermission, and postgame shows for all Henderson Silver Knights broadcasts on 1230AM The Game and FloHockey; provide fill-in play-by-play commentary and contribute to Vegas Golden Knights radio programming on Fox Sports Las Vegas • Manage VGK Radio social media accounts on X and Instagram, creating and publishing real-time game content to drive fan engagement • Produce, edit, and distribute game highlights, interviews, and podcasts across SoundCloud, social media, and streaming platforms • Transcribe interviews, track game statistics, and support postgame media availability for broadcast and team use • Operate broadcast equipment and execute full game-day production workflow, including recording, editing, and publishing live and postgame content

Broadcaster & Director of Communications, Danbury Hat Tricks

Danbury, Connecticut

July 2023 - October 2025

2025 FPHL Broadcaster of the Year and Hat Tricks Award recipient • Served as play-by-play voice for 100-plus games over two-plus seasons • Sole full-time member of media department overseeing all communications, content, and social media • Wrote game stories, press releases, and features while designing graphics for social, web, and in-arena use • Produced newsletters to 24,000-plus subscribers multiple times per week • Maintained media guides, game notes, and franchise records • Conducted interviews with players, coaches, and sponsors • Facilitated sponsor activations and in-game promotions to enhance partner visibility • Led Kids Club program and mentored media interns

Head of Broadcasting, SU Club Men's Ice Hockey

Syracuse, New York

August 2021 - May 2023

Oversaw all broadcast content on the SU Hockey Network including game live streams, interviews, and special events • Served as the team's play-by-play broadcaster calling game action, analyzing player stats and storylines, and preparing game charts by conducting interviews and forming relationships with both players and coaches

Play-by-Play Broadcaster, Brewster Whitecaps

Brewster, Massachusetts

June 2022 - August 2022

Researched and structured game notes, hosted pre and postgame content, and called 50-plus baseball games for the Brewster Whitecaps Radio Network • Managed the organization's media team and fostered relations with other broadcasters and organizations

Broadcast Intern, Syracuse Crunch

Syracuse, New York

September 2022 - May 2023

Radio play-by-play commentator for select games on ESPN Radio • Facilitated intermissions reports, postgame shows, and interviews with players and coaches • Contributed to game notes and provided researched statistics for broadcasts

Sports Department Staff Member, WAER Radio

Syracuse, New York

April 2022 - May 2023

Radio PxP announcer, studio host, producer, engineer, sideline reporter, feature piece creator, or in-studio facilitator for select SU football, men's basketball and lacrosse, and women's basketball broadcasts • Executed weekly, 100-second sports updates focused on relevant headlines and scores in the New York area • Voiced advertisement spots and rejoins for the station • Hosted, produced, and/or engineered "The Double Overtime", a live postgame show following game broadcasts

Sports Department Staff Member, Z89 Radio

Syracuse, New York

October 2020 - May 2023

Co-hosted "Coast 2 Coast", a weekly two-hour sports radio talk show • Delivered weekly minute-and-a-half sports updates highlighting Syracuse athletics along with professional sports pertaining to the New York area • Composed feature pieces for high school football and women's basketball and lacrosse broadcasts
